PETUNIA Double Blue

Petunia x hybrida

Petunia 'Double Blue' **flowers earlier** than other double petunias producing masses of large, frilly deep blue blooms with occasional white accents.

This is a highly floriferous variety with remarkable colour intensity. Hardy Petunia 'Double Blue' loves the sun, needs little water once established, and will hold up under wet weather conditions.

Plant in spring and summer for rippling blue waves in your garden beds or your favourite patio pot.

Tip: Prune in late summer for a second flush of autumn colour. Water regularly and protect from snails until established.
Uses: Borders, beds, rockeries, tubs, hanging baskets.

Height: 30cm
Position: Full sun
Plant: 25cm apart
Flowering time: 8 weeks from planting

Available from: August 2005
Available in: ACT, VIC, NSW, TAS
RRP: \$4.95
