

New Flower Releases

Spring 2004

(for publication in Spring/Summer 2004)

Petunia Pirouette

Think of a can can skirt or a cheerleader's pom poms and you get the idea of what the delicious **"very" double blooms** of Petunia Pirouette look like. An eyecatching display of red and white bi-colours on a compact plant of 25 – 30cm. The bonus is that it not only looks the part, but it also performs very well in the garden.

Range: Natural Beauty
RRP: \$4.50
Available: Nationally from September

Petunia Nautical

Take a trip out to sea with Petunia Nautical. The cool ocean blues and mauves are the perfect addition to a hot summer garden. Once established Nautical requires very little water and will produce masses of **very large flowers** for months.

Range: Natural Beauty
RRP: \$4.50
Available: Nationally from September

Vinca SunSwirl

Just like a hot pink party dress, SunSwirl will have your garden spinning with colour. It has a glorious habit that makes it ideal for urns, hanging baskets and containers. What's more it's heat and **drought tolerant** so it makes the perfect summer plant. You'll love its crisp green foliage too.

Range: Perfect for Pots
RRP: \$5.50
Available: Nationally from October

Ivy Geranium Hot Pink

This one's for the **easy to maintain** Mediterranean look. It's drought tolerant and the masses of hot pink flowers last and last, and will continue to flower, even through winter. The leaves stay glossy green all year and can even provide a great ground cover. But for the traditional look, try it in pots, hanging baskets or large containers.

Range: Natural Beauty
RRP: \$4.50
Available: Nationally from September

Dichondra Silver Falls

You'll love Dichondra for the versatility of this stunning silvery grey foliage, and it's a **low water user**. Silver Falls will **cascade** beautifully over hanging baskets, pots and urns, but the well kept secret of this plant is that it makes a **fabulous ground cover**, or even lawn replacement.

Range: Low Water
RRP: \$4.25
Available: Nationally from September
