fLORIANA®

Pansy Pink Fizz

Exclusive to Bunnings!

FAST FACTS:

Position:	Full sun
Flowering:	6-8 weeks after planting
Height:	15-20cm approx.
Plant:	15-20cm apart. 25 pansies will cover 1m ²

Pansy Pink Fizz is an unforgettable ensemble of pink, lilac and rose shades with etched with striking fizzy markings.

This delightful and prolific pansy adds sparkle to the garden for many months with flowers reaching up to 7cm across and showing the greatest range of intensity of colour and markings during the cooler months.

Pansy 'Pink Fizz' performs in fertile, moist soils in a sunny position and is ideal for mass planting and borders due to its mid-sized flowers held on short stems above neat, compact foliage. This very pretty and feminine mix will also add a sparkle to pots, urns and hanging baskets.

Pansy 'Pink Fizz' is available exclusively from Bunnings stores nationally (excluding NT)
