NEW RELEASE - AUTUMN / WINTER 2010

fLORIANA®

Pansy Hocus Pocus

Magical Garden Colour!

FAST FACTS:

Position:	Full sun
Flowering:	6-8 weeks after planting
Height:	15-20cm approx.
Plant:	15-20cm apart. 25 pansies will cover 1m ²

Enchanting Pansy Hocus Pocus has deep velvety purple flowers edged with dainty yet distinctive tracings of purest white.

This free-flowering F1 hybrid pansy creates a magical display of mid-sized blooms up to 7cm across held above neat compact foliage. This singular variety is equally suited to traditional, cottage and contemporary landscapes including dazzling pocket plantings and elegant patio pot and hanging basket highlights.

For additional impact why not mix Pansy 'Hocus Pocus' with annuals in complementary or contrasting shades such as Alyssum, Lobelia and Violas.

Pansy 'Hocus Pocus' will be available from Bunnings stores nationally (excluding NT) from mid-March 2010.
